COVID-19

INFECTION PREVENTION AND CONTROL

Cleaning & sanitising for infection prevention and control, effective against COVID-19, MRSA, Norovirus, Hepatitis B, HIV and blood borne pathogens [since 2015](#).

We specialise in rapid response services for both local government agencies and private clients.

We use a chemical called 'Formula 429 Plus' which is the [NHS Gold Standard Sanitiser](#) that is used effectively in infection prevention and control.

ATP SURFACE CLEANING

We use the Hygiena Sure Snap system post cleaning to ensure the surfaces are completely clean.

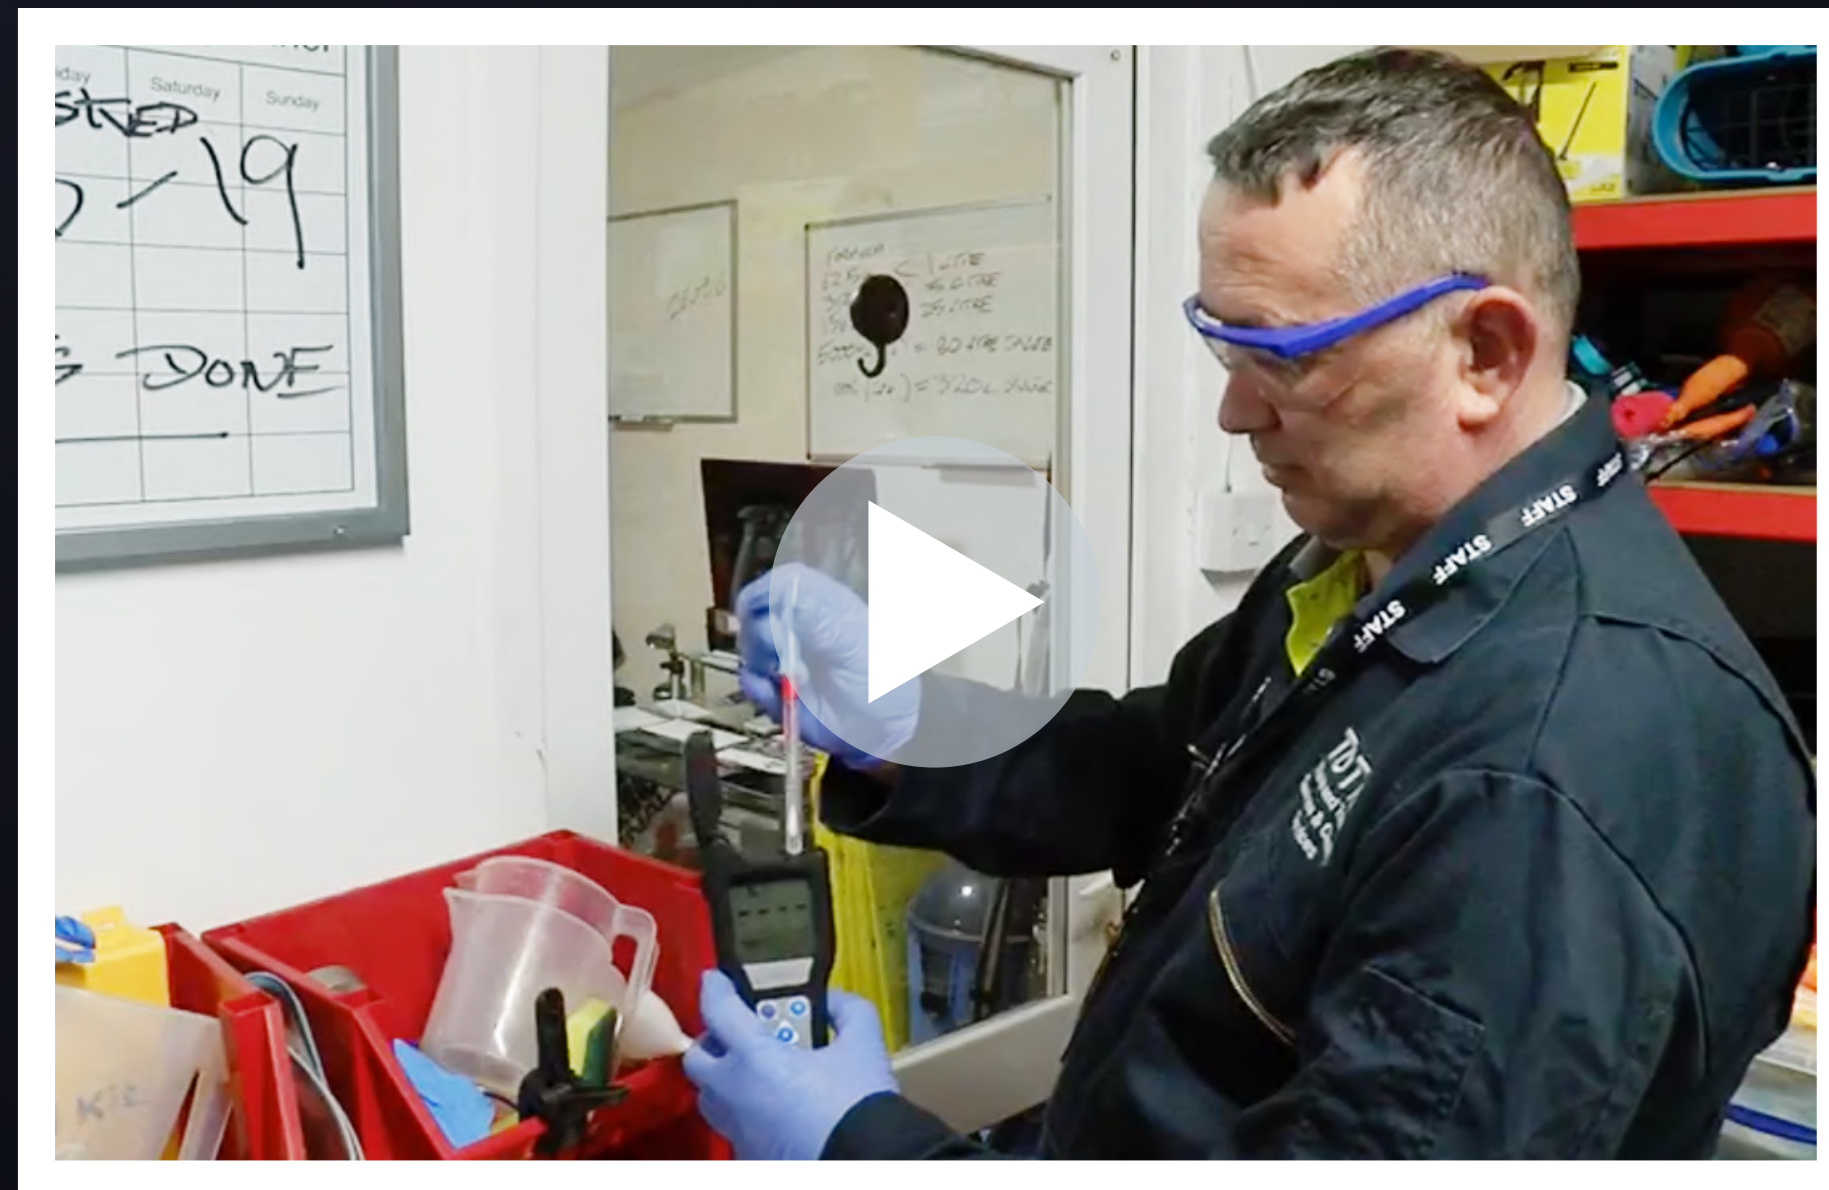

FORMULA 429 PLUS

We use a chemical called 'Formula 429 Plus' which is the NHS Gold Standard Sanitiser used effectively in infection prevention and control.

LETTERS OF THANKS

In response to services provided for Covid-19

HOUSE OF COMMONS
LONDON SW1A 0AA

Mr Jim Gildea, Director
Total Trauma Cleaning
Gosport Business Centre
Aerodrome Road
Gosport, PO13 0FQ

27 March 2020

Dear Mr Gildea,

I was interested to read in the Wednesday 25th March edition of the News how your company is playing such an important role in helping to control the Coronovirus spread by cleaning infected areas, thereby enabling them to be safely used again.

I am sure the work is extremely difficult and challenging, no doubt you and your team are working extremely long arduous hours. I wanted to place on record our gratitude for the valuable work you are all undertaking. Would you please kindly pass my sincerest thanks to your team?

Yours sincerely,

A handwritten signature in black ink that reads "Caroline Dinenage".

Caroline Dinenage MP

Correspondance from the Secretary of State

Dear all,

Please find attached correspondance from the Secretary of State for Housing, Communities and Local Government.

Thank you for all your hard work in supporting Gosport Borough Council to deliver services at this time.

Kind Regards

Lisa

Deputy Emergency Planning Office | Covid-19
